

Attention Parents or Guardians!

Our young people are the future of woodcarving so we must do all we can to encourage them to compete. We want to be able to give them credit for the work they have done, and for them to know how much we appreciate their efforts. We want the youth to receive an Annual Show Report with their carvings pictured in it. We also want for them to be able to receive any prizes they may earn.

For these reasons, any youth entering the competition **MUST HAVE A COMPLETED ENTRY FORM INCLUDING: NAME, ADDRESS, and PHONE NUMBER.** All this information will be considered strictly confidential and will be treated as such. There must also be an accompanying permission slip from the parent/guardian giving permission for the youth to enter and to receive and prize (possibly a carving tool) that might be awarded. Any youth who wins a prize and is not attending the Congress will receive the prize in the mail. Questions? Contact Larry at thewoodcraftshop@mchsi.com or 563-676-8264.
